

Facials

- Essential Facial* \$50
Designed for your skin type and unique needs, this facial is totally customized from start to finish. A core treatment for anyone looking for a thorough base-line facial.
- Calmitude Facial* \$55
With a gentle cleansing, exfoliation, soothing massage, and calming mask, this facial incorporates products designed to calm and soothe the skin. Perfect for all sensitive skin types, including rosacea.
- Teen Acne Facial* \$35
A perfect facial treatment for acne prone skin, this facial includes deep pore cleansing, exfoliation, steam, mask, and extractions.
- Back Facial* \$60
Treatment includes all aspects of the Essential Facial, including a special back massage. A truly relaxing experience for both men and women.
- Oxygenation Facial* \$55
Breathe new life into your complexion with this high-performance treatment. Perfect for skin that is sluggish, has clogged pores, or shows signs of premature aging.
- Acne Clearing Treatment* \$55
A must treatment if you are breakout prone, have clogged pores or blackheads. Includes a medicated amino mask that contains enzymes, antioxidants, antiseptic and anti-inflammatory ingredients.
- Vitamineral Power Facial* \$55
The perfect anti-aging facial infuses your skin with antioxidant vitamins and trace minerals to stimulate the production of collagen and elastin.

- Double Surface Peeling Treatment* \$75
Layering the enzyme and alpha blend treatments, this 1-hour potent peel delivers immediate results including improvement of skin texture, minimization of pores, lightened pigmented spots, and reduction of fine lines.
- Lactic Peel* \$75
This is our ultimate-strength peel with 30% organic lactic acid, pumpkin fruit enzymes and stimulating pomegranate. The level of exfoliation can be customized to dramatically improve dull, lifeless and rough textured skin.
- Flaxx-C Anti-Aging Facial* \$75
This breakthrough treatment is designed for skin that shows signs of loss of muscle tone, fine lines, and dullness. A thorough cleansing is followed by a layered exfoliation process, stimulating massage, and ultra-tightening mask. Designed to restore firmness to sagging skin as it lifts, tightens and smoothes.
- Repechage Four-Layer Facial* \$85
Experience layers of pure fresh European seaweed, followed by a mineral- rich thermal mask to rejuvenate, tone and firm the skin dramatically. For all skin types.

Specialty Add-On Treatments

- The following treatments can be added to any facial.
- Extra-Strength Alpha Blend* \$10
This exfoliation method, which uses an optimal blend of glycolic and salicylic acids, along with natural fruit acids, will peel away dull surface layers, minimize pores, and smooth skin.
- Eye Area Rescue Treatment* \$10
This treatment will help refine, soften, and soothe the skin around your eyes. Includes a gentle exfoliation, special mask and serum treatment.

- V-Neck Firming Mask* \$15
Anti-aging treatment designed to instantly tighten and smooth neck and v-area tissue. Reduces loss of elasticity, minimizes lines and wrinkles, brightens and smoothes rough skin tissue.
- Kerafolle Elbow Rescue* \$10
Rid yourself of dry, rough, and dark elbows. This exfoliating specialty treatment will lighten, soften, smooth, and brighten.
- Herbology Hand Retexturizer* \$15
Utilizing medicinal Chinese herbs and alpha hydroxyl acids, this rejuvenating treatment exfoliates, smoothes and hydrates your hands.

Body Treatments

- Herbology Body Retexturizer* \$90
Chinese herbs will smooth and retexturize your skin from neck to toes. After warm Hazelnut Oil is applied, followed by an exfoliating Herbology massage, you'll be cocooned in heated thermal blankets to melt the therapeutic granules into your skin. The result will be silky smooth, revitalized skin that will feel phenomenal for days!
- CryoThermic Body Treatment* \$90
Enjoy the dual sensation of invigorating heat and revitalizing cool energies as CryoThermic Body Gel activates your microcirculation. As you're wrapped and relaxed, this intensive thermal process will immediately begin to target puffiness and swelling due to water retention, tissue firmness, unwanted toxins and sluggish microcirculation from lack of exercise. The result is a more toned, revitalized body.
